## TAFT MAY ENTER IN FLORAL PARADE

in Pageant.

NATIONAL INTEREST IN EVENT

Governmental Participation Raises Chamber of Commerce Project meyer, of Detroit, to Be Judge.

"The national character" of the Chamber of Commerce floral automobile parade-the nation-wide interest which it will invoke-was the subject which loomed large before the meeting of the committee in charge last evening.

Governmental participation in the pageant is well emphasized by the fact that the automobiles of the President of the United States and his Cabinet officers will probably constitute the first section Arkansas, Missouri, and Texas Furof the event.

In addition to this, it is expected that the cars of many army and navy officers, possibly all of those automobiles which furnished at the expense of United States, may be entered. It is now known that several Cabinet officers will ride in their own cars and it is expected that President Taft will appoint a rep-

## WEATHER BUREAU EXPLAINS.

Union of Aerial Disturbances Causes Heavy Rains.

The heavy rains in New York for the ast thirty-six hours are caused, according to the experts of the Weather Bureau, by the union of two aerial dis urbances, one moving from the West They met in New York and vicinity, and then came the deluge.

According to the bureau, a little more than five inches of rain have fallen in New York within the last thirty-six TAKES HIS ARREST CALMLY hours. This is more than the normal rain for New York for the entire month of August. Normal rain for that section is about four inches. The Weather Bureau predicts a contin-

lation of the rain. Above Local Level, and the Plan The aerial disturbances which met at Expands Accordingly-Mayor Breit- New York and formed a union is said to be an unusual thing and rarely occurring. These disturbances are eddies of wind in heavy rain-laden clouds, simi-lar to water eddies.
